Issue No. 6

17 June 2009

## From the President

The season rolls on and an issue has been brought to my attention that needs to be addressed. Quite a few players are either not attending training or arriving very late or not attending games. This disrupts the rest of the team as they need a full compliment to make playing worthwhile. Please make an extra effort to attend on time. However, I appreciate that things do happen to not make it possible to attend so in such an event could you please let your manager know so they can organise accordingly.

This year we only have one competition side, the U14s and they are representing the club with distinction. I don't like to single out any one side during the season as you are all doing so well but I thought I'd let you know how well they are doing as it is exactly half way through the season and they have played every team once. They are currently top of Division 2 with by far the most goals scored. It is very tight and another team has a game in hand that could leave us 2nd but let us enjoy top spot whilst it lasts!

Alex Graham continues to turn out for the U9s, and played most of the game thanks to a tremendous gesture by the opposition, Bannockburn Clarke Road, and was awarded 'Player of the Day' for his heroic efforts. Well done Alex!

Good luck to all players with your games on Saturday.

**Paul Ludlow**

## From the Secretary

**Team Photos – This Saturday 20<sup>th</sup> June at Asquith Park** – the Wall Avenue gate not the main car park. A timetable is available at the end of the Dribble and on the website. All players must attend in full uniform even if you do not want a photo for yourself.

Thank you to all those parents that have taken Chocolates to sell and to those that have already brought in their money. The money needs to be returned this Wednesday 17<sup>th</sup> June at training or at the latest Saturday at the photos.

If you can't sell the chocolates please bring them back so that we can sell them at the Bunning's BBQ on Sunday. The amount is \$60 per box

**Lynne Slevin**

## Match Reports

### U6Azure vs Kissing Point

With a slightly arrival of a couple of the Hornsby 6A's, we commenced our games with four on one team and three on the other. With the three-man team, they did well to hold off their Kissing Point opponents do only be 1-0 down at half time. Then with a full squad of four for the second half, the boys were very worn out and

happy to hear the hooter go for full time, with a great effort but a result against us of 0-5. Outstanding work at the front and the back by Daniel Marine minimised any further goals and he was unlucky to bag a few goals himself. Good support by Will Jovanovic who was man of the match.

In the other game, Kissing Point showed strong offensive and great defence, a well-rounded outfit for such young kids!! Hornsby going down 0-6 but awesome effort by Aidan Miller as well as Justin Woods. Overall it was a great improvement from playing the same team about six weeks ago where we went down 0-10. Again, the boys had a smile from ear to ear and it's back to the practice pitch for us.

### **Iggy Jovanovic - Manager**

#### **U6C vs St Ives U6Tiger's**

**Result: Loss 10-6**

A great match, all the boys have improved a lot in goal scoring, attack & defence skills.

On one side, there was Sam who kicked our first goal, and was on fire all match. Dennis was great with his overall enthusiasm, and Tomas keeping up the fight with his consistent running, and Kody getting in there trying to get the ball of the St Ives Team. Daniel scored our second goal in the second half, after he was swapped from the other side, great work. Man of the Match was awarded to Tomas, for persistent running & keeping up with the big boys on the other team.

On the other 4 sided game, Ryan was like an Energizer battery, kicking the first 2 goals in the first half, and 1 goal in the last half. Marcus was keeping up the attack & defense, and Edan trying his hardest to score. Edward topped off a hard match with the final goal. Man of the match was awarded to Edward for a great planning & a top goal. Thank you to the Jun family for supplying clean Jerseys.

### **Monique Ribas - Manager**

#### **U7A vs Sacred Heart**

Jip, Deven, Adam, Luke, Daniel and Needah had a great game against Sacred Heart today. It was a real struggle for ground as the two teams wrestled the ball up and down the field. Everyone displayed impressive foot work as they dribbled, trapped and kicked the ball. The excellent defense from both teams kept the first half scoreless despite many valiant attempts at goal. The tussle continued into the second half. Hornsby then thrilled the crowd with a brilliant goal set up by Luke with a crossing pass from the far left of the field to Adam who with perfect timing angled the ball hard into the back of the net. Well done guys. Sacred Heart didn't stand a chance with that one. Sacred heart continued the attack which seemed to be even more intense than before but were unable to break Hornsby's nimble defense. We thought we had the game in the bag but then a kick in from Sacred Heart

got past our defense and a well placed long shot evened up the scores.

The game ended in draw which the crowd agreed was a fair indication of the how the game was played. Well played everyone. Player of the match goes to Adam this week.

### **Jimmy Hong Ning - Parent**

#### **U7A vs Sacred Heart**

In the game I saw, RSL played well against a good Sacred Heart side. Michael and Jaap played the defensive role well and kept clearing the ball up field. Callum and Sam were running and tackling bravely, as was Alex who made some good runs with the ball. Larsson was showing neat skills, and again scored a great goal. We were especially unlucky with the third SH goal, which rebounded into the goal from a long way out. Man of the match went to Jaap for some good tackling and positioning to stop the other team's attack. Well played boys. See you all at training.

### **Graham Richley - coach**

#### **U8Azure v St Ives**

**Result: Loss: 0-3**

Another tough assignment for team 'Azure' this week. St Ives' physical brand of football and menacing defence had us on the back-foot for most of the match. Although more goals were scored against us in the second half, the boys, led by a spirited Miguel (Man of the Match) showed more commitment in attack and defence. Special mention to Hyuns who played gallantly for the first half, only to be taken from the field suffering from a high fever. Thank you to the Charles family for supplying half time refreshments and the Bishop family for the clean jerseys. Looking forward to returning to the winner's circle next week!

### **Chris Tysoe - Manager**

#### **U9B vs SH Pymble U9C**

**Result: Loss 3- 1**

The team played with commitment and skill. Another close game but the score not going our way with many shots at goal missing the mark narrowly. I'm pleased with the team is coming together and with a little more work we can turn things around. Everyone played extremely well.

Alister was named played of the match with a solid effort.

### **Peter Neuenkirchen - Coach**

#### **U10's Super Soccer Saturday and Sunday**

We had a very exciting weekend versing not just West Pymble but also at the Canterbury Junior FC U10 Gala Day. Our game on Saturday was a very exciting affair. Although we went down a valiant 4-2 the game will long be remembered for what, I am sure, will turn out

to be the goal of the season. Ewan's amazing rearguard action and the look on the opposition team's faces as the ball catapulted from rump to back of the net will live long in all of our memories, as pure footballing pedigree, English style and panache out of Scottish determination, came to the fore. The game was notable for some fantastic goal keeping from both of our boys on the day, Jeremy and Nicholas, as well as some solid defending from Corey and Ran. Alen scored a terrific second goal, changing team tactics and facing the goal for his shot. Alistair ran the opposition ragged and Joseph was unbowed in midfield and we noted a bicycle kick and a great header in the second half from him.

On Sunday we were joined by Nick B, Ben and Tyler so that we could compete in the 9 a side competition. Guys, you were great! We went down to one lucky goal in the first game as we got used to the bigger pitch and were it not for that we would have been through. It was a real team attempt with great work from everyone and another two goals from Ewan plus one from Alen. Thanks for a great weekend, to the club for funding our entry in the competition, to our coach for coming to support us and to all parents for braving the weather. See you on Saturday.

#### **Carol Stables – Manager**

#### **U11 vs Hornsby Heights Result: Loss 1-4**

The team played extremely well today, the last time we met HH we went down 8 - 1 & the team had learned a lot from that game.

Our defence was great this week & we did have plenty of chances to score, but it just didn't quite fall our way. Jamie Warren was "Star of the Week" scoring our only goal & getting through lots of work. Sam Bartolazo won the "Play of the Day" with outstanding effort right through the game. The 2 Nic's played well again this game as did the whole team. We are seeing improvement every week & Coach AK is very happy with the team's progress & the effort that everyone is putting into training & the games.

#### **John Warren - Manager**

## **Team and Individual Photographs**

**This Saturday 20<sup>th</sup> June @ Asquith Park Enter via Wall Avenue gate (opposite side of oval to car park)**

**Please sure that your child is in full uniform and at Asquith Park 10mins prior to the photo time.**
