Hornsby RSL Sub Branch Youth Club will be holding several events to celebrate its 50th Birthday.

The first event will be a Debutantes Ball to be held in Hornsby RSL Club on Saturday 26th September, 2009.

We are asking Youth Club members for the following:-

- **Memorabilia – do you have any old photos. It is hoped that all the sections who have been involved in the Youth Club over the 50 years will have a display at the Ball. If you are in contact with anyone who was involved in the Youth Club please ask them if they have any photos, old uniforms etc or if they would like to attend the Debutantes Ball.**
- **Please invite your friends and family to attend this night. Please note that whilst children are welcome to attend tickets will not be available at childrens prices.**
- **Young ladies aged 15 – 18 to make their Debut on this evening.**

A committee has been set up for the 50th Anniversary Celebrations and you can contact us on any of the details listed or please feel free to phone us on:-
