Issue No. 10

July 3rd 10

Another exciting and fun weekend of football to be had by all. Some very close results over the weekend. One thing that I would like to point out to all players and parents is to respect the officials/game leaders controlling the match. This means that any concerns need to be addressed accordingly through the proper channels. All players are to also respect the opposition and match officials and adhere to the code of conduct that have been outlined in the past. This is a very important issue as everyone's behavior at a match reflects on the club. Hornsby RSL Youth FC has an excellent reputation of sportsmanship and respect and we wish that this reputation is maintained.

Now that is cleared up, the revised draw will be coming out over the week for the junior competition, so get ready for the last part of the season and good luck. For the youth competition squads, good luck with the coming games, I am sure that you will do us all proud.

Be safe over the holidays.

Matthew Wall
President.

Editors Note:

Hello,

I can't believe it's already one week into the holidays. Hope you're enjoying some time out with the kids.

We have had yet another donation, for our Raffle, this time from the Bal family who are donating a selection of Nintendo DS Games. So thank you very much. This raffle does have something for everyone.

Also we have changed the date of the draw –as with the holidays we were left a little short to sell tickets. So new date will be August 4th.

See your coach or manager to buy tickets NOW!!!!
(Promise this is the last fundraising burst for the year!!!!)

Huge thanks to our parents for making these prizes possible.

Have a great game this week – and good luck.

MATCH REPORTS:

U6 Alligators

Result: Win 10-9

A chilly morning with the School holidays on due to which we were a player short. Lucky for us the U6 Bears were playing on the field next with a full strength team and lent us one of their players Ronan to complete the line up. Along with Ronan, Nathan, Miles and Sana worked wonders as a team and hardly gave any chance to the Berowra Dingo's to threaten our goal. There was a lot of calling each other and passing the ball which helped us go for a break with a 2-0 lead at the end of first half. The second half was better than the first and once again the boys took full control of the game from the opponents and shot in another 5 goals. Nathan had 3 goals to his credit, Sana had 2 and Miles and Ronan 1 each. The final score read 7-1. The Player of the Match was rightly awarded to Sana for his great long run goals and passing that set up the other goals.

U6 Bears VS Mount Coalh

Result: Win 7-6

Mighty under 6 Bears 7 verses Mt Cola Stallions 6

It was good to get on the pitch after a week off, and the boys were ready to go.

The Stallions unfortunately were a few players down. In what has been a highlight of the Season and shows what a great bunch of kids we have they were all keen to lend a hand And play for the other team.

Jack, Brad, Cam and Lachlan all played for the Stallions. Good sportsmanship also should be made mention to Ronin, Who played for the U6 Alligators who were also short on players.

Brad put in a massive effort and showed no mercy towards his mates kicking 2 goals for the Stallions and only just missing a third that skipped over the top of the nets. Excellent work Bradley.

Nosa had a good game and showed just how quick he can be even though he was sick
Dave, Ronin, Zane and Jack kept running hard in both attack and defence for the whole game.
Lachlan Scored 1, Jason was good for 4 and Cam scored 3 for both teams. Jimmy and Dan Also had solid games to round a fantastic Saturday morning.
Well done boys your sportsmanship made us all proud.

Best on ground was Jack Schauwecker and Lachlan Burne well done boy's great stuff

Have fun Strike hard!!

U7 Alligators VS Kissing Point Cowboys Result: Loss 12-1

Well this week was another tough week for the U7A's with both teams loosing to the kissing point cowboy's
The A team had a hard game down 2-1 at half time, they all tried hard against a well drilled team with the final score 10-1.

The B team also had a very hard game but, had a great defence in the name of Kalan who managed to stop the goals for us going to nil all at half time, sadly the cowboys were just a little better and scored 2 goals in the second half with them winning the game 2-0, Man of the match went to Arik & Kalan.

Don't be discouraged from the last couple of losses boys, you have all come such a long way this year, keep up the great work.

U7 Bears VS Hornsby Heights Result: Loss 11-1

We had a tough game this week with only seven players. Thank you to our coach Graham for coming to referee the game, even though Adam couldn't make it.

On one side we had Patrick, Hugh, Raymond and Kodey. Hugh had a couple of great runs down the length of the field, kicked for the goal but unfortunately the ball just didn't go in. Raymond tried to score too, but the ball went off the side post. We just weren't lucky! Kodey was running and passing the ball strongly. Patrick did some great running and defending of the ball. Overall the team tried really hard but went down 8:0.

On the other side we had Marcus, Andrew and Zaki. Thank you to Hornsby Heights Platypus for lending us their players Sean and Chris for the game to allow a 4 on 4 game. The boys were trying their very best! Marcus ran the length of the field to score our only goal. He also managed to save a couple balls from entering the goal and just missed the goal on another attempt. Great work!
Andrew was defending and attacking the opposition really well and went for goal, but just missed!
Super effort! Zaki played his best and was kicking well towards our goal and passing well to his team mates. Unfortunately we went down 3:1.

U8 Alligators VS Bannockburn Result: Loss 3-1

Another sunny day at Montview & another hard game.

The Alligators started off well and the coach would have been well pleased with the passing around of the ball in attack. The boys worked well together & the defence was solid.

Sean was goalie in the first half and made some great saves.

Up front Alex & Larsson made a lot of good breaks, with Luke and Michael regularly getting them the ball from clearing kicks. Douglas & Arshan, urged on from cheering parents on the side line, also got into the thick of things.

We had plenty of shots at their goal , but just couldn't get one in & the same for the opposition.

Near the end of the first half we finally scored with a great shot from Larsson.

In the second half , however, the boys seemed to go into their shell, they hung back in defence, weren't attacking the ball .

As a result of that, Bannockburn were hammering our goal . Max had a very busy half as goalie and was most upset that the ball got past him three times.

But that means that the ball got past the rest of the team as well, so the whole team needed to lift their game.

With some spirited defence from Jaap & Douglas the second half ended better than it started & for his efforts Jaap was named man of the match.

Final score - Alligators 1 Bannockburn 3

U8 Bears VS Gordon **Result: Loss 3-1**

Wow! What a tremendously tough match. The Gordon players were regimented in their attack and if it hadn't been for some great defense by Martin, Anton and Colby in the first half and Angus and Thomas in the second they would have scored more. Elijah and Matua and Will were relentless in their attack and Thomas and Colby in the midfield trying to keep the ball away from the opposition but the oppo were just too good. The final score was 3 to 1 great goal by Matua).

Match Trophy went to Colby for trying hard.
Well done boys

U8 Cheetahs VS Mount Colah Pythons **Result: Win 11-0**

These guys just get better and better. It seems that over the last couple of weeks something has just clicked and the boys are playing as a TEAM and passing and calling for the ball. Maybe there has been some late nights watching the World Cup! It has got to the stage now that I don't really need to coach from the sideline anymore as the boys are working things out for themselves.

In this game only Eric and Shelby didn't score a goal but both got very close on a few occasions. One of Shelby's shots was stopped right on the goal line. The difference in the sides was shown in the fact that our two goalies (Shelby & Callum) only needed to touch the ball twice each. The goal scorers were Tim B (6), Marley (2), Callum (1), Roger (1) and Rohan (1).

The highlight of the match was when the boys had a string of passes involving five different players ending in Marley scoring one of his goals.

Player of the match went to Tim B but not just for his 6 goals but because he passed the ball to teammates on more occasions that he has before.

Coach

U9 Alligators VS Bannockburn **Result: Loss 7-1**

Today's match result does not reflect the consistent effort by our boys. It was unfortunate that we were unable to capitalise on some very good attempts at goal.

Michael, Jonathan, Christopher and Josh pushed the ball forward at every opportunity with Eddy up at the front, ready to pounce, however, the boys were continually thwarted by the opposition's very talented goalie.

Bannockburn's positional play and passing proved their strength but our boys' enthusiasm never dampened and they bravely soldiered on, very keen to stay on the pitch and play hard right to the very end.

Marcus was voted Man of the Match for his magnificent kick up towards the goal during the 2nd half.

U12A's VS Lane Cove **Result: Draw 0-0**

Last Saturday the U/12A's played brilliantly against Lane Cove. Although they dominated us for most of the first half some great work in defence from Zac, Nikeal, Nic Pearson and Connor prevented them from getting any shots on target. Some amazing play up the wing by Warren and Jamie gave us several chances to get a shot away which Sebastian, Nik Camino and Cameron took only for it to fly over or just curve wide of the post. Unfortunately an excellent last-minute effort from Clayton wasn't enough to win against Lane Cove with the score ending in a 0-0 draw with some dodgy refereeing decisions not helping our cause. Captain Henry was awarded Man of the Match for his outstanding work in the middle of the park. Hopefully we can notch up 3 points against St Ives next week.

U12B VS St Ives **Result: Loss 1-0**

Another fast and furious game! We went up against St Ives this week and they were a very strong team. Unfortunately we had 3 players away and were only able to field a 10 man team. We came very close to scoring so many times but at the end of the game the score was a 0-1 loss. Considering we were one man down I think the boys can feel very proud of themselves. Congratulations to our Player of the

Game, Danny and Superstar of the Week, Nick. Well done Hornsby RSL Under 12B's another fantastic game and well done on your great sportsmanship. A big thank you to all the mums and dads who were out there on Saturday supporting our team.
