Issue No. July 17th 2010

Great games to be had by all over the weekend again. One of the gutsiest efforts was from the U10B's with only eight players betting a 12 player squad 3-0, well done team. The U12 Division 1 team has set up for a top four finish in a tight competition which would be a brilliant effort, keep the momentum and composure going. The two U6 teams, I would probably say are the best in the district. To all other teams, I beam with pride every time I see you guys run on the field and your effort and results are certainly to be commended. Just a reminder, there are raffle tickets going around with some great prizes to be had, so make sure that you can support the club especially if you were unable to help out at the Bunnings BBQ's.

I look forward to another great

Editors Note:

Hello,

Well back to school – and back to soccer.

I have left up the Spot the Difference competition incase people wanted to enter who were on holidays. I have posters to give away for prizes – so you never know you may get lucky!!!!

We have had yet another donation, for our Raffle, this time from the Bal family who are donating a selection of Nintendo DS Games. So thank you very much. This raffle does have something for everyone.

Oh and the KIT in the raffle is an adult jacket – but the rest of the items are child size (except maybe the umbrella) – lost in translation on that item. I apologise for anybody who got very excited at the thought of being kitted out for Saturday night out with the boys in club colours.

Also we have changed the date of the draw –as with the holidays we were left a little short to sell tickets. So new date will be

See your coach or manager to but tickets NOW!!!!!!
(Promise this is the last fundraising burst for the year!!!!!!)

Huge thanks to our parents for making these prizes possible.

MATCH REPORTS:

U6 Alligators VS West Pymble Koalas

Result: Win 10-4

Well done to everyone. From the start everyone made a great team effort. We dominated them most of the game with our strong attack and defence. As hard as the opposition tried we would not give up. We did some great passing. It was a hard decision on who to pick for the player of the match so we all voted. Tama won by one vote, so great job everyone.

U7 Bears VS St Ives
Result: Draw 5-5

What a great couple of evenly matched games we had on the weekend. We were a bit short, however, the St Ives SIPS were kind enough to lend us a player – great sportsmanship. In game one, in the first half Marcus was like a bull out of a gate causing mayhem with the opposition both in defence and attack. However, Patrick went down with an injury and the SIPS capitalised on this and scored. Marcus too went down in some tough tackling and again the SIPS capitalised. Two more hard fought goals had the boys down 4-0 in the first half. In the second half, Raymond was attacking passing the ball, and Zachy was confusing the opposition in finding free space. Patrick, with a brilliant individual effort found the net. All up, the boys went down 5-1.

On the second field we had Adam, Danny and Kodey combining with the SIPS borrowed player. It was the best and most determined running and kicking that I have seen from Kodey all season-well done. Danny has been putting to practice learned moves from playing PS3 FIFA 2010 to combine with Adam for a brilliant team goal. Who said video games were a waste of time. bah..Adam played really well finding the goals twice. All up, the boys won 5-1.

The boys have come a long way and it was illustrated at these games with the best passing, calling out team mate's names, and finding space. An outstanding skill set to grow on boys, well done.

U8 Alligators VS Wahroonga Gold
Result: Draw 2 -2

Another beautiful day , another great start to the game. The boys started off with some great attacking runs, showing good team work, demonstrated by their unselfish passing.

Larsson Nida & Sean combined well , with Sean scoring the first goal.

The boys seemed to be camped in the oppositions half for the first part of the game , then the Wahroonga Golds started to strike back. Some great defence from Luke Jaap & Douglas helped keep them out , but the outstanding commitment from Alex (the goalie in the first half), putting his body on the line to save goals was a pleasure to watch.

Just when we had thought we had the first half wrapped up, the Golds broke through & scored just before half time. The second half started well , but the Golds broke through again & scored. Being one down on the score card put the pressure on the boys and they responded very well. Arshan

kicked a great pass , out of the pack, to Sean who raced away , but just missed the goal..

Alex , replaced as goalie by Jaap, was free to join in the action , and made several strong runs down the right hand side, before passing into the centre. Only the solid performance of the Gold's goalie stopped us scoring. In some ways the boys being too unselfish with the ball , seemed to slow down our attack & let the Golds get back in defence.

Finally Larsson broke free & with no mucking around, kicked a beauty past their goalie. At 2 all , it looked like we were really started to get on top, but unfortunately full time was called before a winning goal could be kicked.

For his fantastic defence & inspiring breakaways in attack , Alex was named man of the match.

Final score Alligators 2 - Golds 2

U8 Bears VS Hornsby Heights
Result: Loss 1-0

The boys played a tough outfit. There were very close encounters and we were unlucky not to score.

Matua, William, Angus and Elijah were great in attack and defence. Anton, Colby also played some terrific defences play and Thomas was unlucky not to score with a cracker of a shot that hit the post.

A great effort and we look forward to next week. The player of the match was Angus

U8 Cheetahs VS Pymble Kookaburras
Result: Win 10-0

With Eric and Micah away for this game and the thought that we have been re-graded, we expected a difficult game. However West Pymble also had a few out and had a couple of younger players playing for them. However, on a short field and all the boys keeping a good structure we played very well. Tim M and Rohan started as the two defenders and stopped everything getting through. Marley didn't need to touch the ball as the goal keeper. Tim B scored three goals in the first half and also set one up for Callum who played up front and had a few good shots at goal. Roger also got a goal in the first half. In the second half Callum was the goal keeper and only needed to make two saves which he did well. Tim M, who is the only player that wants to play as a defender all the time does once again did a great job and is proving to be a very smart defender. Rohan and Marley went into the midfield and both attacked the goals constantly and both scored three goals but could have easily scored another three each. Shelby played up front and got very close on a couple of occasions. Player of the match went to Rohan for his fantastic team work in defence and attack.

U9 Alligators VS Bannockburn

Result: Win 3-1

This week we played Bannockburn and had a fantastic win of 3-1!

All the players were focused and keen to win after a break for the holidays. Our first goal was scored 5 min. into the game by Ben and the play stayed in our half for most of the match.

Brent, Marcus and Josh did a great job as goalies and we gained another 2 goals in the 2nd half kicked by Ben and Michael. Jack received player of the match for great effort and improved performance.

Keryn Cronin

U10B's Vs Wahroonga

Result: Win 3-0

We score very early in the first half about 15 seconds into the game. Tanatsa set the it up and David score the goal. In the second half we scored twice more with a fantastic strike from Tanatsa.

Katherine scoring our other goal of the half.

Another good result with the players we have.

David was voted by the team as player of the match.

Thank you to the parents for their fantastic support

U12A's VS St Ives

Result: Win 1-0

After two weeks of relaxing and kicking back it was time to get back to business. So for this reason you could see Hornsby RSL 12A assemble at Warrimoo oval at 11.10, for an important game against St Ives.

We were pumped because of the break, and were hoping for a win. Straight from the kick-off, the RSL dominated due to the improved communication, wing-work and passing, from which we were unlucky not to get a couple of goals.

Our midfield worked tirelessly, getting the ball up to the forwards, who ran circles round their defenders, and used the ball and their speed to perfection. Then we struck it. Sebastian had received the ball from one of our midfielders, and ran up to the edge of the 18 yard box. Then he beautifully crossed the ball, over the heads of three St Ives players to Jamie, who had perfectly timed his run to the box, and then Jamie professionally volleyed the ball into the net. (Jamie got it into the right net against St Ives!)

For the rest of the half, we remained on top. Then in the second half, we had lots of scoring opportunities, in which we just missed, or slipped. A great run by Cameron ended in a 170 degree shot, which just hit the wrong side of the post.

The game was basically played in their half, though on the few occasions that they managed to obtain the ball and run into our half, their efforts were spoiled by either- dogged defending, great interceptions by the midfielders, who would sprint back to help defend, or breath-taking saves by Griffin the Great Goalie, whose save on to the bar saved the game for us. We managed to cling on as they desperately tried to score, until the whistle went. We had just won our 3rd win of the season. It was a spectacular win. The man of the match went to Sebastian, whose persistent running on and off the ball led to many great chances. It was a good game overall. Well done boys.

U12B VS Kissing Point

Result: 0-3 Loss

A very hard fought game on Saturday. We went up against the formidable Kissing Point A this week who are a very strong team and at the end of the game the score was 0-3. The boys had a good game with passing, defending and shooting. Congratulations to our Player of the Game, Zac and Superstar of the Week, Liam. Well done Hornsby RSL Under 12B's another great game of soccer. Keep having fun.
